

Global Citizens Gala 2019

Saturday, June 1, 2019

Fairmont Copley Plaza, Boston

For more than 60 years, the United Nations Association of Greater Boston (UNAGB) has engaged the Greater Boston community in important global issues central to the work and mission of the United Nations.

UNAGB's Global Citizens Gala celebrates Boston's diverse, international, and interconnected community and honors Boston's Consular Corps, including representatives of more than 60 UN Member States. Filled with dinner, dancing, entertainment, a live auction, and reception, this elegant evening raises awareness of the mission and generates important funds for UNAGB's flagship youth program, Model UN. The gala brings together the many business, academic, cultural, and nonprofit communities committed to the United Nations Sustainable Development Goals.

As a sponsor of the Global Citizens Gala you will enjoy a variety of benefits that offer high visibility and align your organization as a valued partner in the work of inspiring the next generation of informed global citizens. In addition to the benefits enjoyed during the Gala, sponsors also receive invitations to exclusive UNAGB events throughout the year.

Sponsoring the gala helps empower more than 5,000 middle and high school students to become confident leaders and global citizens. Through the United Nations Association of Greater Boston's Model UN program, students step into the role of diplomats working together to solve the world's most pressing challenges and achieve the Sustainable Development Goals. This experiential program enhances students' global awareness and builds their communication, collaboration, problem-solving, and perspective-taking skills. We hope you'll join us in making this transformational program possible for even more of tomorrow's leaders.
