

# BOSTUN75

ORGANIZED BY

October 24, 2020 marks the 75th anniversary of the UN Charter's entry into force in 1945. This anniversary, also known as United Nations Day, recognizes the UN's leadership and continuing work to uphold peace, human rights, environmental protection, among others.

This year, Boston's UN Day celebration theme is "**BostUN75**" to honor both local and global leaders that continue to work toward the United Nations Sustainable Development Goals, advance human rights for all, confront racism and inequality, and improve global health. We will be hosting two BostUN75 virtual events to celebrate this momentous occasion in our community.
